FREE META ADS REVIEW

Your Facebook & Instagram ads, reviewed

Prepared for **Pleasures of Beautee** · Atlanta, GA

DATE	BASED ON	PREPARED BY
October 2026	Public Ad Library + website	Prriyankarr, BrightPeak Ads

The short version

Pleasures of Beautee has 2 Instagram Reels ads running (started October 22 and 26), with good hooks and a clear free-consultation offer. Both send people to your Instagram profile and ask them to call or text, even though you already take bookings online through GlossGenius. Adding a direct Book Now link, plus a couple of small website fixes, should turn more viewers into booked consultations.

What we looked at

Active ads	2 active ads in Meta's Ad Library: started October 22 and October 26, 2026
What they show	Reels: a 31-second "start your transformation" video and a 38-second fat-dissolving injection FAQ; both offer a free consultation
Where clicks go	Both link to your Instagram profile; the text says to call or text 678-835-7588
Website booking	"Book Our Services" goes to pleasuresofbeautee.glossgenius.com; "Post Op Care" goes to pleasuresofbeautee.as.me
Phone	"Free consultations, just call 678-835-7588"; a second line reads "Customer Service 091 234-ELLA"
Location shown	Only "Atlanta, Ga United States"; no street address on the site

What we found and how to fix it

1 Your ads send people to Instagram, not to booking

HIGH PRIORITY

WHAT WE SAW Both active ads link to your Instagram profile and ask people to call or text 678-835-7588. Your services already book online at pleasuresofbeautee.glossgenius.com.

WHY IT MATTERS From a profile visit, people still have to find your link in bio, then find the right service, or wait for a reply to a text. Each step loses people. A Book Now button straight to GlossGenius is the shortest path, and it tells Meta to find people likely to book.

THE FIX **Run a version of each Reel with a Book Now button linked to the free consultation on GlossGenius. Keep "call or text" in the caption for people who prefer it.**

2 A placeholder phone line appears on your homepage

MEDIUM PRIORITY

WHAT WE SAW	Next to "FREE CONSULTATIONS, JUST CALL 678-835-7588" the homepage also shows "Customer Service 091 234-ELLA."
WHY IT MATTERS	That line looks like leftover template text. People who come from an ad may be unsure which number is real.
THE FIX	**Remove the "091 234-ELLA" line so only 678-835-7588 shows.**

3 Visitors can't see where you're located

LOW PRIORITY

WHAT WE SAW	Your contact page lists only "Atlanta, Ga United States," with no street address or area.
WHY IT MATTERS	Before booking a body contouring or post-op appointment, people want to know how far they'll travel. Leaving it out can stop them from booking.
THE FIX	**Add your address, or at least your neighborhood or nearest city, to the contact page and booking page.**

Quick wins for this week

1. Add a Book Now button to both Reels, linked to the free consultation on GlossGenius.
2. Send any post-op care ads straight to pleasuresofbeautee.as.me.
3. Delete the "091 234-ELLA" line from the homepage.
4. Add your location to the contact page.

What this review can't see

> This review uses only what's public: your ads in Meta's Ad Library and your website. Without access to your ad account, it can't check:
>
> - Cost per lead or sale, and which ads actually bring in customers
> - Whether your Meta Pixel and Conversions API are tracking leads and purchases correctly
> - Audiences, budgets, bidding and how your campaigns are structured
